

LPP Terms and Conditions

Certain Services may be offered, from time to time, with a Lifetime Price Pledge. With a Lifetime Service Pledge, the monthly price for the Services purchased by the customer will be fixed for the lifetime of the customer, and will not be raised, subject to the following conditions:

- The Lifetime Price Pledge is void if you disconnect, if you are disconnected by us, or if any portion of your account balance becomes past due.
- If you move to a location where GoNetspeed offers identical Service, your Lifetime Price Pledge still applies, subject to an installation charge.
- The Lifetime Price Pledge does not apply to third-party services or to content purchased for use over the Services.
- The Lifetime Price Pledge does not include future government-imposed taxes, fees, or other charges.
- The Lifetime Price Pledge applies only to Residential Services. Use of Services for commercial purposes voids the Lifetime Price Pledge.
